NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Tuesday, February 15, 2011:

MINUTE entry before Honorable Sidney I. Schenkier: Telephone conference held. On 2/14/11, the parties submitted to chambers correspondence indicating their disagreement about whether discovery concerning the proposed class settlement should proceed at this time, or instead should be deferred pending the hearing set on 3/10/11. The Court hereby stays all discovery concerning the proposed class settlement, including the Class Plaintiffs first set of interrogatories, requests for document production and requests to admit to the Intervenor's; Class Plaintiffs' 9th set of requests for production and 8th set of interrogatories to AIG; and the subpoenas served by Class Plaintiffs on Goldberg Kohn Ltd., Locke Lord Bissell & Liddell LLP, and NWCRP. These discovery requests need not be answered, and no other discovery requests may be served, pending the hearing on 3/10/11. At that time, with the benefit of the Intervenor's supplemental memorandum in support of preliminary approval (due 2/25/11) and the parties' proposed discovery schedule (due 3/07/11), the Court will consider what discovery is appropriate to the issue of preliminary approval of the proposed class settlement. The parties are advised that the Court will expect any discovery authorized at the 3/10/11 hearing to be produced on a highly accelerated basis. Mailed notice.(jj,)
